CANTON TEA

"It started with a tea I tasted which was so perfect I quit my job and started a tea company"

Canton Tea Founder, Jennifer Wood

Canton Tea was set up from the kitchen table in 2007.

Today, Canton is a leading premium tea supplier and in their own words, "we're obsessed with how and where our tea is grown and processed. We're transparent about provenance. Most of our teas are beyond organic, some are biodynamic - and several are from tea farms where the plants now grow wild. Others are from ancient tea trees in the forest of Yunnan and Vietnam.
